- PNG Medium Term Development Plan
- Gender Equity & Social Inclusion Policy
- Internal Department of Finance Policies and Procedures
- Ethics and Value-based Executive Leadership & Management Capability Framework
- Current Corporate Plan and Annual Operational Plan.

Recommendations and decisions made that will affect the whole of Department of Finance are based on the above regulations and policies.

8. CHALLENGES

- Public Service General Orders require all public sector employees to have a career plan in place – their respective departments and training should be linked to career paths. Contribute to the alignment of personal goals with divisional goals, in open communication and cooperation with management, and contribute to a work environment appropriate for the work and conducive to shared employee well-being.
- Department of Finance is operating within limited resources which may constrain, among other things, remuneration options. Other Public Service imposts may, from time to time, similarly constrain resourcing and development capacity. In addition, gaps created as result of staff turnover or staff undertaking long term study can influence priorities and resource allocation. It is important that people are aware of the potential impact of a broad array of resource limitations.

- Contribute to identifying and acquiring the skills and knowledge to perform tasks to produce the desired output. Ensure that all supervised staff are trained on the operation of all specific IT or other tools relevant to efficiently undertaking their roles and responsibilities.
- All staff needs to be trained on how to operate and use Integrated Financial Management System (IFMS) as business users to fully understand how IFMS works, how to run reports as most expenditure reports are now on IFMS and to convey relevant information to Government agencies already on IFMS.

9. QUALIFICATION, KNOWLEDGE, EXPERIENCE AND SKILLS

Qualifications and Experience:

- Bachelor's Degree in Accounting, Economics, Business Management, Strategic Management, or related discipline from a recognized university;
- Possess 5-7 years' of experience in Accounting, or Financial management roles in Public Service Sector/Agency;
- Experience in accounting and financial reporting role;
- Membership of Professional Accounting Body in PNG/Overseas, E.g. CPA;

Knowledge:

- Knowledge and understanding of the range of Acts, laws and policies governing the work of Department of Finance and the Public Service;
- Demonstrated knowledge and understanding of a range of Public Accounting;
- Advance knowledge in Public or government Accounting;
- Good understanding of the Integrated Finance Management System;
- Exposure with email and MS applications including Word, Excel and PowerPoint for conducting presentations.

Skills and Abilities:

- High level of professional communication and interpersonal skills;
- Effective management and task delegation skills at all levels;
- Ability to work well with colleagues and effectively mentor subordinates;
- Effective planning, organization and implementation skills;
- Ability to manage stress and work under pressure.

NOTE: This job description is not designed to be all-inclusive. Employee may perform other related duties required to meet the ongoing needs of the Department.

STATEMENT OF ACKNOWLEDGEMENT AND COMMITMENT:

I have been provided with a copy of my Job Description and I am fully aware of the duties, responsibilities and accountabilities of the **Senior Accountant (Reporting Cash Management, Gr. 14)**. Under the terms and conditions of the Public Service and in line with the Code of Conduct I agree to undertake the duties prescribed to the best of my ability at all times.
